

# INDEX TO VOLUME 49

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS, in that order.

## SUBJECTS

### Adolescents

- Conceptualizing structure in a day treatment program for delinquent adolescents, 246
- Fifteen years after treatment: a follow-up study of comprehensive vocationally-oriented psychotherapy, 240
- Hysterical seizures: a sequel to incest, 698
- Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704
- Onset of chronic illness in children and adolescents: psychotherapeutic and consultative intervention, 4
- Parental child-rearing characteristics and delinquent adolescents' response to behavioral treatment, 527
- Preventing unwanted adolescent pregnancy: a cognitive-behavioral approach, 81
- Preventive reduction of psychological risk in asymptomatic adolescents, 121
- Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53

### American Orthopsychiatric Association

- Business meeting, 729
- Boundaries of theory and practice: problems in integration, 392
- In memoriam: Margaret Mead, Ph.D., 1901-1978, 2
- Ortho's president, 1979-1980, 196

### Behavioral Symptoms and Problems

- Childhood onset of alcohol abuse, 511
- Conceptualizing structure in a day treatment program for delinquent adolescents, 246
- Parental child-rearing characteristics and delinquent adolescents' response to behavioral treatment, 527
- Prevalence of treatment regimens for children considered to be hyperactive, 482
- Prosocial behavior and psychopathology in emotionally disturbed boys, 301
- Review of psychopharmacological and behavioral approaches to the treatment of hyperactive children, 500
- Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53
- Stimulant drugs and activity level in hyperactive children, 491

- Time-referenced Q-sort technique for evaluating behavioral change, 109

### Behavioral Treatment

- Parental child-rearing characteristics and delinquent adolescents' response to behavioral treatment, 527
- Preventing unwanted adolescent pregnancy: a cognitive-behavioral approach, 81
- Preventive reduction of psychological risk in asymptomatic adolescents, 121

### Child Abuse/Neglect

- Character-disordered family: a community treatment model for family sexual abuse, 436
- Hysterical seizures: a sequel to incest, 698
- Incest: theoretical and clinical views, 680
- Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704
- Isolation of the neglectful family, 149
- What's wrong with sex between adults and children? Ethics and the problem of sexual abuse, 692

### Children

- Adverse influence of psychiatric diagnostic labels on the observation of child behavior, 157
- Beyond the mainstream: the special needs of the chronic child patient, 62
- Childhood onset of alcohol abuse, 511
- Differential effects of television programming on preschoolers' cognition, imagination, and social play, 265
- Effects of congenital heart disease on cognitive development, illness causality concepts, and vulnerability, 617
- Effects of varying child-teacher ratio and group size on day care children's and teachers' behavior, 518
- Fathers, children, and joint custody, 311
- Kindergarten children's descriptive sex-stereotyping of infants, 514
- Model of the empathic process for teachers of emotionally disturbed children, 446
- Onset of chronic illness in children and adolescents: psychotherapeutic and consultative intervention, 4

Paraverbal therapy in pediatric cases with emotional complications, 44

Pediatric cancer survival and marriage: issues affecting adult adjustment, 423

Prevalence of treatment regimens for children considered to be hyperactive, 482

Prosocial behavior and psychopathology in emotionally disturbed boys, 301

Psychiatric sequelae of surviving childhood cancer, 608

Psychological costs of bone marrow transplantation in children, 409

Racial attitudes in young children as a function of interracial contact in the public schools, 89

Review of psychopharmacological and behavioral approaches to the treatment of hyperactive children, 500

Role of cognitive level and sibling illness in children's conceptualizations of illness, 474

Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53

Stimulant drugs and activity level in hyperactive children, 491

Treadmill of lead, 751

Use of two houses in play therapy, 431

What's wrong with sex between adults and children? Ethics and the problem of sexual abuse, 692

### Community Mental Health

Character-disordered family: a community treatment model for family sexual abuse, 436

Personal mythology as a paradigm for a holistic public psychology, 198

Primary prevention from a neighborhood base: a working model, 69

Public and private sector: a developing partnership in human services, 218

### Contraception

Preventing unwanted adolescent pregnancy: a cognitive behavioral approach, 81

### Crisis Intervention

Crisis in psychotherapy: principles of emergency consultation and intervention, 585

Crisis intervention: a functional model for hospitalized cancer patients, 598

Onset of chronic illness in children and adolescents: psychotherapeutic and consultative intervention, 4

### Deinstitutionalization

Being "seen but not admitted": a note on some neglected aspects of state hospital deinstitutionalization, 153

Nontransitional residential care: a two-year follow-up of a successful community, 522

Stigma and state hospital patients, 626

Varieties of readmission: the case against the use of recidivism rates as a measure of program effectiveness, 230

### Delinquency

Broken homes, parental psychiatric illness, and female delinquency, 252

Conceptualizing structure in a day treatment program for delinquent adolescents, 246

Fifteen years after treatment: a follow-up study of comprehensive vocationally-oriented psychotherapy, 240

Parental child-rearing characteristics and delinquent adolescents' response to behavioral treatment, 527

Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53

### Depression

Family constellation factors, depression, and parent suicide potential, 164

Manic-depressive illness: psychodynamic features of multigenerational families, 24

Process of psychotherapy among depressed women with marital disputes, 505

### Divorce

Broken homes, parental psychiatric illness, and female delinquency, 252

Fathers, children, and joint custody, 311

Shared parenting after separation and divorce: a study of joint custody, 320

Stepfamily in formation, 36

### Drugs (Pharmacology)

Manic-depressive illness: psychodynamic features of multigenerational families, 24

Prevalence of treatment regimens for children considered to be hyperactive, 482

Process of psychotherapy among depressed women with marital disputes, 505

Review of psychopharmacological and behavioral approaches to the treatment of hyperactive children, 500

Stimulant drugs and activity level in hyperactive children, 491

### Education

Differential effects of television programming on preschoolers' cognition, imagination, and social play, 265

Effects of varying child-teacher ratio and group size on day care children's and teachers' behavior, 518

- Model of the empathic process for teachers of emotionally disturbed children, 446
- Racial attitudes in young children as a function of interracial contact in the public schools, 89

#### Evaluation/Accountability

- Boundaries of theory and practice: problems in integration, 392
- Fifteen years after treatment: a follow-up study of comprehensive vocationally-oriented psychotherapy, 240
- Time-referenced Q-sort technique for evaluating behavioral change, 109
- Varieties of readmission: the case against the use of recidivism rates as a measure of program effectiveness, 230

#### Family/Family Therapy

- Broken homes, parental psychiatric illness, and female delinquency, 252
- Character-disordered family: a community treatment model for family sexual abuse, 436
- Effects of the nursing mother-infant dyad on the family, 339
- Family constellation factors, depression, and parent suicide potential, 164
- Family relationships and morale among people 65 years of age and older, 292
- Husbands' problems with breast-feeding, 349
- Isolation of the neglectful family, 149
- Manic-depressive illness: psychodynamic features of multigenerational families, 24
- Psychological costs of bone marrow transplantation in children, 409
- Role of cognitive level and sibling illness in children's conceptualizations of illness, 474
- Role of some birth-related variables in father attachment, 330
- Stepfamily in formation, 36

#### Gerontology

- Family relationships and morale among people 65 years of age and older, 292

#### Hyperactivity

- Prevalence of treatment regimens for children considered to be hyperactive, 482
- Review of psychopharmacological and behavioral approaches to the treatment of hyperactive children, 500
- Stimulant drugs and activity level in hyperactive children, 491

#### Incest

- Character-disordered family: a community treatment model for family sexual abuse, 436
- Hysterical seizures: a sequel to incest, 698
- Incest: theoretical and clinical views, 680
- Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704
- What's wrong with sex between adults and children? Ethics and the problem of sexual abuse, 692

#### Infants (see Children)

- Effects of the nursing mother-infant dyad on the family, 339
- Husbands' problems with breast-feeding, 349
- Infant behavior and maternal adaptations in the first six months of life, 454
- Role of some birth-related variables in father attachment, 330

#### Labeling

- Adverse influence of psychiatric diagnostic labels on the observation of child behavior, 157

#### Law and Legislation

- Beyond the mainstream: the special needs of the chronic child patient, 62

#### Lead Poisoning

- Treadmill of lead, 571

#### Manic-Depression

- Manic-depressive illness: psychodynamic features of multigenerational families, 24

#### Mental Health System

- Mental health in a fragmented society: the shattered crystal ball, 397
- Personal mythology as a paradigm for a holistic public psychology, 198
- President's Commission on Mental Health as a symptom, 388
- Primary prevention from a neighborhood base: a working model, 69
- Public and private sector: a developing partnership in human services, 218
- Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53
- Tragic nature of human destiny, 564

**Obituary**

In memoriam: Margaret Mead, Ph.D., 1901-1978, 2

**Parent-Child Interaction**

- Effects of the nursing mother-infant dyad on the family, 339  
 Fathers, children, and joint custody, 311  
 Husbands' problems with breast-feeding, 349  
 Hysterical seizures: a sequel to incest, 698  
 Incest: theoretical and clinical views, 680  
 Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704  
 Infant behavior and maternal adaptations in the first six months of life, 454  
 Parental child-rearing characteristics and delinquent adolescents' response to behavioral treatment, 527  
 Role of some birth-related variables in father attachment, 330  
 Shared parenting after separation and divorce: a study of joint custody, 320  
 Symbiosis and confirmation between father and schizophrenic, 136  
 What's wrong with sex between adults and children? Ethics and the problem of sexual abuse, 692

**Physical Illness/Disability**

- Crisis intervention: a functional model for hospitalized cancer patients, 598  
 Effects of congenital heart disease on cognitive development, illness causality concepts, and vulnerability, 617  
 Onset of chronic illness in children and adolescents: psychotherapeutic and consultative intervention, 4  
 Paraverbal therapy in pediatric cases with emotional complications, 44  
 Pediatric cancer survival and marriage: issues affecting adult adjustment, 423  
 Psychiatric sequelae of surviving childhood cancer, 608  
 Psychological costs of bone marrow transplantation in children, 409  
 Role of cognitive level and sibling illness in children's conceptualization of illness, 474  
 Treadmill of lead, 571

**Primary Prevention**

- Preventive reduction of psychological risk in asymptomatic adolescents, 121  
 Primary prevention from a neighborhood base: a working model, 69  
 Treadmill of lead, 571

**Psychotherapy**

- Boundaries of theory and practice: problems in integration, 392  
 Crisis in psychotherapy: principles of emergency consultation and intervention, 585  
 Fifteen years after treatment: a follow-up study of comprehensive vocationally-oriented psychotherapy, 240  
 Manic-depressive illness: psychodynamic features of multigenerational families, 24  
 Onset of chronic illness in children and adolescents: psychotherapeutic and consultative intervention, 4  
 Paraverbal therapy in pediatric cases with emotional complications, 44  
 Personal mythology as a paradigm for a holistic public psychology, 198  
 Process of psychotherapy among depressed women with marital disputes, 505  
 Telephone therapy: a review and case report, 574  
 Unconscious source of opposition to the liberation of women, 161  
 Use of two houses in play therapy, 431

**Racial Factors**

- Racial attitudes in young children as a function of interracial contact in the public schools, 89  
 Some evidence of race bias in the diagnosis and treatment of the juvenile offender, 53

**Rape**

- Aftermath of rape: recent empirical findings, 658  
 Epidemiology of forcible rape, 634  
 Exploratory approach to self-blame and self-derogation by rape victims, 670  
 Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704  
 Rape: sexual disruption and recovery, 648

**Research**

- Adverse influence of psychiatric diagnostic labels on the observation of child behavior, 157  
 Aftermath of rape: recent empirical findings, 658  
 Broken homes, parental psychiatric illness, and female delinquency, 252  
 Early death of a parent as an etiological factor in schizophrenia, 465  
 Effects of congenital heart disease on cognitive development, illness causality concepts, and vulnerability, 617  
 Erikson's concept of inner space: a data-based reevaluation, 100

- Family relationships and morale among people 65 years of age and older, 292
- Infant behavior and maternal adaptations in the first six months of life, 454
- Prevalence of treatment regimens for children considered to be hyperactive, 482
- Preventive reduction of psychological risk in asymptomatic adolescents, 121
- Psychiatric sequelae of surviving childhood cancer, 608
- Racial attitudes in young children as a function of interracial contact in the public schools, 89
- Role of cognitive level and sibling illness in children's conceptualization of illness, 474
- Stigma and state hospital patients, 626
- Symbiosis and confirmation between father and schizophrenic, 136
- Time-referenced Q-sort technique for evaluating behavioral change, 109
- Working wives and housewives: do they differ in mental status and social adjustment?, 282

#### Residential/Hospital Treatment

- Being "seen but not admitted": a note on some neglected aspects of state hospital deinstitutionalization, 153
- Nontransitional residential care: a two-year follow-up of a successful community, 522
- Stigma and state hospital patients, 626
- Varieties of readmission: the case against the use of recidivism rates as a measure of program effectiveness, 230

#### Schizophrenia

- Early death of a parent as an etiological factor in schizophrenia, 465
- Symbiosis and confirmation between father and schizophrenic, 136

#### Sex Roles

- Effects of the nursing mother-infant dyad on the family, 339
- Erikson's concept of inner space: a data-based reevaluation, 100
- Husbands' problems with breast-feeding, 349
- Kindergarten children's descriptive sex-stereotyping of infants, 514
- Working wives and housewives: do they differ in mental status and social adjustment?, 282

#### Sexual Abuse

- Aftermath of rape: recent empirical findings, 658

- Character-disordered family: a community treatment model for family sexual abuse, 436
- Epidemiology of forcible rape, 634
- Exploratory approach to self-blame and self-derogation by rape victims, 670
- Hysterical seizures: a sequel to incest, 698
- Incest: theoretical and clinical views, 680
- Incestuous rape: a cause for hysterical seizures in four adolescent girls, 704
- Rape: sexual disruption and recovery, 648
- What's wrong with sex between adults and children? Ethics and the problem of sexual abuse, 692

#### Social Policy

- Being "seen but not admitted": a note on some neglected aspects of state hospital deinstitutionalization, 153
- Beyond the mainstream: the special needs of the chronic child patient, 62
- President's Commission on Mental Health as a symptom, 388
- Public and private sector: a developing partnership in human services, 218
- Racial attitudes in young children as a function of interracial contact in the public schools, 89

#### Suicide

- Family constellation factors, depression, and parent suicide potential, 164

#### Television

- Differential effects of television programming on preschoolers' cognition, imagination, and social play, 265

#### Women

- Aftermath of rape: recent empirical findings, 658
- Epidemiology of forcible rape, 634
- Erikson's concept of inner space: a data-based reevaluation, 100
- Exploratory approach to self-blame and self-derogation by rape victims, 670
- Process of psychotherapy among depressed women with marital disputes, 505
- Rape: sexual disruption and recovery, 648
- Unconscious source of opposition to the liberation of women, 161
- Working wives and housewives: do they differ in mental status and social adjustment?, 282
